### Guidelines for Proposals

The BCP board requests that potential directors attend the June 28th board meeting at 6:30 p.m. upstairs at the Swan River Inn located at 360 Grand Drive in Bigfork. Potential directors will make a presentation to describe:

- Show Overview including title, author, cast size, and age ranges of cast members, usual running length and brief synopsis.
- Overall concept of the show – historical period, style, dialects, geographical location, interpretation
- Set – special needs for staging, scene changes, set pieces
- Technical – sound, lights, and special effects needed
- Preferred timing – BCP has three mainstage productions each year. Typically Fall, Winter, and Spring or “no preference.”

The BCP board would also like a resume of previous directing, producing and/or acting experience. If you have more than one show that you would be interested in directing please submit up to three shows for consideration. Please direct questions to: [bigforkcommunityplayers@gmail.com](mailto:bigforkcommunityplayers@gmail.com). If you are anticipating proposing a show for our 2017-18 season, please advise us via email prior to the June 28th meeting.
